

RELIEVE SUFFERING RESTORE DIGNITY REVEAL HOPE

Dear Partner!

I have a lot of gratitude in my heart this time of the year not because everything is perfect but because despite the circumstances you or I might be in victory in, Jesus is SURE.

I thank God for your prayers and financial support that has made it possible for me to do ministry in other continents and also here at home. As I have been traveling around the world fulfilling the command God gave us in Matthew 28:19 I have also been growing spiritually and one thing that is sure is that the word of God cannot fail (Luke 1:37 NLT). I have seen the word of God changing lives - healing the sick and comforting the broken hearted.

In February I traveled to Southeast Asia and experienced the power of God as we ministered to women there. The young lady to the right asked for prayers after I taught about self-worth and how God views us. Psalm 139:14

Give thanks unto the LORD for He is good and his love endures forever.

I got an opportunity to celebrate with women (pictured above) after they finished a 3 day workshop when they received a certificate and a pack of Luopads. I really enjoy how God connected us in a short time.

I experienced the power of God as I connected with these dear sisters and we obeyed to arise early in the morning to do prayer walks in a city that was covered with the demonic power of sin. But because we know our God, we took steps of faith and walked in that city pulling down powers of darkness in the mighty name of Jesus.

This summer, I went to Tanzania and traveled to some tough places where I met the Maasai tribe. I was so humbled by God to see what he is doing in the Maasai tribe. This used to be one of the unreached tribes but now God has visited them and they are so hungry of the word. Our workshops were so good. We had time to worship and praise God together and had lunch together every day.

After Tanzania I went to Kenya where I visited a primary school in Kajiado, a place that is occupied by the Maasai tribe. I carried with me some school supplies such as rulers, pencils, sharpeners and pens. But something I didn't know was that this was an answer to prayers. When I handed the rulers to the principal he told me that the whole school of over 400 children had only 2 rulers and so the teachers had to share the 2 rulers and so they had prayed for rulers. **GOD ANSWERS PRAYERS.**

These are just a few of so many stories about how God has been using me and the women's health team to minister to people. There is a lot to be done for the Kingdom as we work as the body of Christ.

Please join me in thanking God for what he is doing all over the world as we come to the end of the year 2023. As I look with anticipation to 2024, I have some trips already lined up by the grace of God. At the end of January I will go to Cuba, in April I plan to travel to Colombia, and in May I'll go to Sierra Leone.

As I look forward to 2024, would you please pray for my family and me and consider giving a generous gift so I can start the year off strong?
