We at Safe Harbor have more than a 175-year legacy of faith. The witness of the generations who have gone before us – who loved God and served Him faithfully have presented us with a precious gift – a faith community – a Christian family where we can learn and live and grow together. While it is true that the church is not a building, our house of worship provides the gathering place from which we can live our vision statement: *To share with others the Loving Gospel of Jesus Christ, to serve and grow in Him.*

## Pastor Dominic Tuttle

Rev. Dominic Tuttle has led our congregation since September 2023. A native of New Mexico, he received his call to ministry as a teenager and pursued a bachelor's in theology through the Sydney College of Divinity in the UK. Dominic is an enthusiastic storyteller who loves scripture, his family, and exploring God's creation. He is married with three daughters in elementary school.
